COMPANY PROFILE

Amit Transport Corporation has been one of the leading Logistics company since 1971. We would like to introduce ourselves as Total Logistics Service Providers currently offering services to large Indian and multinational companies in the areas of Warehousing, C & F, primary and secondary transportation having our own fleet of vehicles.

Amit Transport Corporation has been growing by more than 25% per annum over the past many years showing its competency and professional nature of working. We are backed by a dedicated team of customer oriented office staff, trained & experienced moving team, offices across the country, self-owned warehouses and fleet of vehicles. The operation has been built around understanding the client's requirements and offering a full logistics package delivered by knowledgeable staff. We offer great quality services at competitive prices. All managed by experienced location logistics personnel. Choose us and you can be assured of the very best quality of services.

Whether you are moving locally or nationally , choosing **Amit Transport Corporation** is the best move you could make. Our staff represents over 30 years of experience in high value and time sensitive, location logistics, to provide you with a faultless solution for all your logistic needs.

Our proactive approach ensures continuity of service and enables us to maintain a long-term relationship with our customers. To be a dependable feature in our customers business and an extension to their logistic department is what keeps our business moving forward. We are having our own fleet of trucks and also at our disposal vehicles of all types through associate transport companies so as to cater to the particular requirements of our clients at any given time.

Great Customer Support is available 24 hours a day, seven days a week and is seamless with an average turn-around response time of less than one hour.

We aim to 'Carry your confidence'. We have a dedicated team of professional employees have more than 30 years of experience in this transportation business. These employees ensure that the company stays ahead, meeting all challenges, achieving the goals while being guided by the MISSION as laid down by the organization. Meeting the company's commitment towards excellence in every sphere of its activity. We work with our customers using state of the art technology, highly qualified employees and a company wide commitment to quality to offer reliable transport across the India.

MISSION

As a third party logistics company, the mission of Amit Transport Corporation is to decrease freight management inefficiencies and to provide maximum hard and soft cost savings for our customers in the process of shipping LTL (less than truckload) or truckload freight and small package freight by providing logistics solutions through our powerful and proprietary web-based proprietary transportation management system, and integrated managed transportation services.

VISION

The vision of Amit Transport Corporation is to establish ourselves as the best logistics service provider by garnering the respect of our shippers and developing successful and satisfied customers and employees by focusing on our niche: re-engineering the approach to solving our customers logistics processes and freight management needs, especially those who ship freight via less-than-truckload (LTL).

COMMITMENT

From the beginning, Amit Transport Corporation logistics philosophy came from a customer-centric and a solutions standpoint. Unfortunately, the mention of freight logistics and third party logistics at times conjures up negative connotations. We knew if Amit Transport Corporation added value, offered solutions, and always advocated for our shippers, we'd keep our customers long-term. Every business decision at Amit Transport Corporation is made in order to decrease risk and foster long-term sustainability. We don't take shortcuts, even if it benefits us. If it's not a long-term solution in which all parties involved benefit long-term, we don't do it. This philosophy allows Amit Transport Corporation to build a reputation as a company who is committed not only to our customers but passionately committed to increasing the positive reputation of our industry. This philosophy grew to every part of our business, and thus, we adopted a core value of continuous improvement of our people and services in order to better serve our customers, their customers, our carriers, and our vendors.

OUR MANAGEMENT

The promoters of **Amit Transport Corporation** ; have over 4 decades of hands-on experience in not just successfully managing one of the biggest logistics company in North India, but also sustaining a significant annual growth year after year. Our performance of past; has built a long standing and consistent reputation of giving the best of customer services to all our clients. We have embarked on building an enterprise which is in constant pursuit of understanding its customers' needs, and develop specialized and customized service delivery models on regular basis. Business need analysis, improvised and customer-centric solutions coupled with customized and innovated solutions and service delivery approach have been our key strengths to delivering successful business solutions while having a database of happy and satisfied clients. The team manoeuvres its strategies to deliver with precision and control; while always focusing towards customer centric deliveries. Our competent and knowledgeable team of professionals; have gained rich and vital experience in logistic sectors, overall management and operations of the supply chain management life cycle, end-to-end logistics; and are able to understand the intricacies of each and every business transaction and thus consistently deliver customer centric solutions. This has led to a modest and consistent growth of operational scale and delivery for **Amit Transport Corporation**

OVER 45 YEARS

WHY CHOOSE US

We believe our first responsibility is to the customers and their employees who use our services. In meeting their needs, everything we do must be of high quality. We must constantly strive to reduce our costs in order to maintain reasonable prices. Customers' orders must be serviced promptly and accurately.

We are responsible to our employees, the men who work with us throughout India. Everyone must be considered as an individual. We must recognise their merit and provide them with a clean, orderly and safe working environment.

We are responsible to the communities in which we live and work and to the global community as well. We must be good citizens and protect the environment and conserve our natural resources.

FOUNDER MESSAGE

What started way back in 1971 as a humble beginning has grown into a company which is synonymous with Service, Quality and Commitment. We have come a long way since then and in these past 45 years we have grown by leaps and bounds , thanks to the efforts and commitment of the team of Amit Transport Corporation and your continued patronage. It is due to your support and business that had made our company what it is today, a name to reckon with.

The employees of Amit Transport Corporation are some of the most talented, ambitious and forward thinking individuals I've ever met, both in business and in life. On a day-to-day basis I find that it's our people--and their commitment to understanding the importance of providing quality service , the changing nature of the industry, and most importantly, client needs--that make both our company and our service what it is today. It is our people and their everyday commitment to improving your experience and providing you with time bound services that make our organization unique.

The team of Amit Transport Corporation takes the meaning of corporate responsibility to a new level. While the focus of many logistic companies is the customer, the team of Amit Transport Corporation upholds the highest level of integrity.

Our desire to better the overall customer experience is unconditional. Our team is selfless and always searching for new ways to innovate and improve your experience with us.

We are truly looking forward to our continued work with you and the opportunity to demonstrate ourselves as a valued Business Partner. If you ever have any suggestions, comments, or concerns , please always feel free to share your thoughts with us. Sincerely,

Madanlal Agarwal

Amit Transport Corporation: A Total Logistic Service Provider

Amit Transport Corporation (ATC) has evolved over the years from being a traditional transporter to an end-to-end solutions provider contributing to the increasing demand for organized logistics in the country. Be it Part Truck Load (PTL), Full Truck Load (FTL), Trailer Load, Containerized Movement, Warehousing or 3PL, ATC offers complete logistic services that help its customers to keep pace with dynamic consumer needs in a cost-effective way, while allowing to work with a single vendor having the ability to scale in a short time. It indeed handles a record 1.5+ lakh consignments as well as over three lakh tons of cargo annually. "Our focus on continuous innovation to offer better flexibility and delivery experience to our customers while improving cost efficiencies is what sets us apart from our competitors," professes Amit Agarwal, Managing Partner, Amit Transport Corporation.

The four-decade old firm, ATC majorly focuses on providing integrated supply chain services nationwide, including transportation, warehousing, distribution and 3PL, wherein around 300 trucks (closed body containers, multi axle trucks and small tempos) are engaged to facilitate last mile delivery. This client-centric venture not only implements proactive approach, latest technologies and infrastructure to understand changing requirements of customers and offers better solutions at lower costs, but also bestows customized warehousing solutions with flexible hiring options (pay per use and no lock-in facility for storage), facilitating them to scale-up/down as per market demand. Atop, it furnishes round-the-clock customer-support services along with minimum turn-around response time (less than one hour).

Every business decision at ATC is made in order to decrease risk and foster long-term sustainability. If it's not a long-term solution that benefits all parties involved, ATC doesn't do it. Apart from incorporating this unique philosophy in every section of business, the venture has adopted a core value of continuous improvement of its people & services in order to serve customers, their customers, and vendors better. "This USP allows us to build a reputation as a company who is committed not only to our customers but passionately committed to increase the positive reputation of our industry. We knew if we added value, offered solutions, and always advocated for our customers, we'd keep them long-term," adds Amit.

Technological Expertise

As a tech-savvy firm, ATC implements modern tools & software for real time tracking goods in transit and predict customer requirements as per their changing needs. Data mining (just-in-time & on demand pick-ups), AI powered freight allocation and automatic ETA alerts are some of the latest technologies adopted by the firm for reliable, safe and on-time delivery of goods PAN India. To enable safe storage & maintenance of goods, ATC owns RCC/ACC all-weather warehouses in major metros/mini metros of the country, where professional handling practices/equipment are deployed to ensure reduction in material damage.

Alongside, its competent & knowledgeable team posing rich and vital experience in logistic sectors ensures that the company stays ahead, meets all challenges, and achieves the goals while being guided by the mission as laid down by the organization of meeting the company's commitment towards excellence in every sphere of its activity. ATC has made its presence strong across 16 Indian states with 50 branches and served 1000+ clients in verticals like FMCG/ Pharmaceutical/Chemicals.

Growing annually at 25 percent, ATC is planning to run entire operation around understanding the client's requirements and offering a full logistics package, all under one roof. "Business need analysis, improvised & customer-centric solutions coupled with customized & innovated solutions and service delivery approach are our key strengths for delivering successful business solutions while having a database of happy and satisfied clients," concludes Amit.
